142 Westney Road, Auckland Airport

This functional industrial facility comprises a logistics warehouse supported by modern office accommodation, extensive breezeway and canopy areas, and a secure yard. The property provides roller door access and is well suited to a range of freight, logistics and distribution operations.

Situated within Auckland Airport's established industrial precinct, the property benefits from excellent connectivity to key transport routes, airport infrastructure and surrounding commercial areas. The facility is ideally suited to occupiers seeking a practical and well-located warehousing and distribution solution.

A Auckland
